## 2012 SPECIAL HUNT INFORMATION

Congratulations on being selected for the November hunt at camp Atterbury. This is a controlled deer hunt using shotguns only of .410 gauge and above with rifled slugs and muzzleloading rifles of .44 caliber or larger. **Handguns and rifles are not allowed.** You will need to schedule your departure from the installation to be **cleared through the Department of Natural Resources (DNR) check station no later than 1600 hours (4:00 pm).** Please start early enough to meet this deadline.

You must have in your possession at the time of check in the following items:

- **your valid deer license (firearms, military/refuge, lifetime, bonus antlerless, bundle, or youth)**
- **a completed Release from Liability/Waiver form**
- **a picture identification card**
- **a hunter safety card**
- **2 pieces of blaze orange clothing**

You have the option of hunting with or without a partner on Camp Atterbury. **Partners must accompany the selected hunter at time of check in, and are required to possess all items from the bulleted list above. Failure to do so will prohibit entry into Camp Atterbury.** You can participate in multiple hunts if chosen as a partner in addition to being selected in the drawing. There is no limit on how many times you can participate as a partner. By hunting on multiple days with multiple partners, a partner can take one deer for each license purchased, but you may not exceed the **daily bag limit on Camp Atterbury of one deer.**

**Every hunter who uses an elevated deer stand must use a safety harness while climbing to & from & while using the stand.**

You are to enter Camp Atterbury Gate 16, approximately 2 ¼ miles west of Post Main Gate on Hospital Road. The MP on duty or signs will direct you to a building. Check in will begin at 4 am, and a mandatory safety meeting will be conducted at 5:30 am. Hunters not attending this meeting will not be allowed to hunt.

Hunters must observe the season date, equipment, and sex restrictions associated with each license. Military/refuge firearms licenses are available from deer license agents. The check station will be open each morning of the hunt at about 5 a.m. The check station is located just north of Hospital Road in the Atterbury Fish and Wildlife Area. **NON-HUNTING MEMBERS OF FAMILIES AND/OR TRAILERS WILL NOT BE ALLOWED IN HUNTING AREAS.** Towing or extricating your vehicle, should it become disabled, is your own responsibility and expense.

If you are a handicapped hunter **with a vehicle access permit**, you may hunt from your vehicle in your assigned area. You must present your handicapped permit card at the time that you check in for the hunt.

If you are not familiar with your hunting area ask for assistance during check-in. There is a zero tolerance policy for hunters found in restricted areas, possession of military ordinance, shooting before legal hours, etc. Violation of rules may forfeit your privileges on Camp Atterbury. The use of ATVs is prohibited.

Even though the hunt is on the Atterbury Military area, if you have any questions, please call the Atterbury Fish and Wildlife area at **(812) 526-2051**. This is not a toll-free call.
